## **WELCOME TO VILLAGE RANCH!**

Thank you for choosing services provided by Village Ranch, Inc. These services may be in the form of individual therapy, family therapy, group therapy, and skills-based therapy (CTSS), and/or a combination of any of the available services through in-home, residential or foster care placement with Village Ranch or another organization.

### **HISTORY**

---

The Village Ranch began in 1988 in Cokato, Minnesota offering adolescent males a place to live (group home) as well as outpatient therapeutic services. Since then, our original group home has grown to a Residential Group Home with a 34-bed capacity and onsite school. In 2009, we expanded to Anoka, Minnesota where outpatient individual, family, group therapy, and skills-based therapy is offered. In 2010, we opened our first “Independent Living Program” for adolescent males in Hutchinson, Minnesota with 12 beds and, most recently in April of 2015 we opened a similar 12-bed Independent Living Program for adolescent males in Rochester, Minnesota. All three of these residential locations offer a 24/7 staffed living environment, skills-based therapy services and outpatient therapeutic services.

Because we agree with you that consistency in therapy is important in addressing the challenges you and your family may be having, we try to schedule therapy sessions as convenient as possible; however, we understand emergencies happen and there will be times you will need to cancel appointments.

### **SERVICES AVAILABLE**

---

Village Ranch, Inc. provides the following outpatient services: in-home individual and family skills-based therapy services, outpatient individual and family therapy, and diagnostic assessment services. We also offer residential group home and foster care placement which works in tandem with our outpatient therapeutic services. The children and families we support are in need of a rehabilitative mental health package and require varying therapeutic and skills-based therapy levels of intervention with the overarching design to enhance and support overall functioning.

The therapists you and your family will be working with are all master’s level and/or licensed professionals with many years of experience in the field and use a variety of therapeutic techniques. All mental health practitioners who provide skills-based services and training meet the state requirements for training and experience in providing skills-based services to your child/adolescent. Please note, skills-based therapy services are not available to those individuals over the age of 18.

Our philosophy is that every family system is unique, important, and has strengths. We believe that working as partners through relationships, support, and caring, families are strengthened and experience greater success. The services provided, areas covered, and goals established are mutually agreed upon between client, family and provider.

---

**FINANCIAL RESPONSIBILITY (OUTPATIENT THERAPY SERVICES ONLY)**

---

Copays, if applicable, are due at the time of your scheduled appointment and will be collected by your provider. The amount of your copay is listed on your insurance card.

---

**NO-SHOW POLICY (OUTPATIENT THERAPY SERVICES ONLY)**

---

If you are unable to keep your scheduled appointments, please notify us at least 24 hours in advance so we can offer that time slot to someone on the waiting list. You may reschedule your appointment when you call us to cancel.

If there is a second no-show you will be required to meet with your therapist and, if applicable, your county worker and others involved with your treatment to discuss options about resolving the no-show issue and possibly transfer to another agency.

---

**LATE CANCEL POLICY**

---

If you cancel your appointment with less than a 24-hour notice occasionally, we do understand. However, if a late cancel pattern develops, you will be required to meet with your therapist and, if applicable, your county worker and others involved with your treatment to discuss options about resolving the late cancel issue and possibly transfer to another agency.

*(OUTPATIENT THERAPY SERVICES ONLY - Not applicable to residential, group home, or foster care placements)*

After the first no-show appointment (without a phone call to cancel) you will receive a phone call to remind you of the missed appointment and to reschedule your appointment. You (not your insurance company) will be charged \$50 (using the credit card information that you provided to us during intake) for the time slot we were not able to fill when you were a no-show.

If there is a second no-show occurrence you will be required to meet with your therapist, county worker and others involved with your treatment to discuss options about resolving the no-show issue and possibly transfer to another agency.

We want to keep services available to you and your family. Please feel free to address issues with your therapist or skills worker so we can all work together to resolve issues.

---

**PARENTAL INVOLVEMENT**

---

Through our experience, as well as available research, clients who do the best in treatment have involved families or support systems. Family involvement means actively supporting the therapeutic process which may include monthly family therapy sessions and general consistent contact with the client.

If the client is a child/adolescent involved with skills-based therapy services, please complete all the paperwork in a timely manner as we cannot hold the skills-based therapy spot longer than three (3) weeks due to our current waiting list for these services.

## VILLAGE RANCH INFORMED CONSENT/CLIENT RIGHTS & RESPONSIBILITIES

### CONFIDENTIALITY

The Minnesota Data Practices Act seeks to protect the privacy of the individuals when governmental agencies or private agencies under contract with public agencies collect data about them. The Minnesota Data Practices Act also helps people get information with this facility, whether the contact is in person, by mail, email, or by phone.

Every effort will be made to keep the information clients share with Village Ranch Inc. staff confidential. All client information is maintained as private and/or confidential, consistent with ethical guidelines of professional practice, and the statutes of the laws of the State of Minnesota. A written consent must be signed before outside persons or agencies can obtain information in records or from family workers.

The Clinical Supervisor supervises all casework and serves as a secondary source of support for families in crisis when practitioners and/or therapists are not available.

### CLIENT RECORDS

The client information we collect from you, or that you authorize us to collect from others, is used for the purposes listed below. Because this list of purposes covers a variety of services and programs, some of the purposes will not apply to your information.

- To determine your eligibility for services provided by this agency;
- To provide effective care and treatment of medical/social/psychological/educational needs;
- For other purposes specifically authorized by you;
- To make referrals to other agencies or professionals to provide additional services to you;
- To collect reimbursement from other agencies or individuals for services we give you;
- The legal or statute requirements, if any, of providing information;
- To evaluate and monitor our performance as an agency licensed by the State of Minnesota;
- To conduct evaluations and prepare statistical reports;
- We cannot guarantee confidentiality of data transmitted (i.e. video, voice, email, etc.)

### RELEASE OF CLIENT INFORMATION:

#### Access by Client:

As a client, you have access to all public and private records about yourself or your children. (See section on "Minors" for exceptions regarding children.) Upon request, you may review your records in the presence of one of our professional staff, and may request copies of records at your expense.

#### Access by Others:

The professional staff of Village Ranch Inc. will have access to information about you when their work requires it and for purposes of billing and collection of accounts in association with other professional consultation (e.g. accountant, attorney) if necessary. For training, supervision and/or consultation purposes, some clients may be asked to have their sessions observed and/or audio/video recorded. Such observations and/or recordings will only be conducted after the client has been fully informed of the specific uses of the observations/recordings and has consented to participate. All audio/video recordings will be destroyed following the training, supervision or consultation.

Individuals or entities outside of Village Ranch, Inc. who are authorized with a release signed by you (or guardian), may share information for purposes of consultation, evaluation, diagnosis, and program planning, when necessary to account for federal funds and program, when law enforcement personnel are investigating or prosecuting a criminal or civil proceeding, and with or without a release with appropriate personnel in an emergency.

**MINORS:** Under certain circumstances, minor clients have the legal right to request that client information be withheld from their parents. This request must be in writing, must explain the reasons for withholding the

information, and what you expect the consequences could be if it is not withheld. Your therapist, in consultation with the professional staff will consider the request and a decision as to whether to withhold information will be made by Village Ranch, Inc. based on the best interests of the requesting minor.

In some cases, the law permits minors to consent to treatment and to withhold information from their parents with a formal request. This may be appropriate for a minor who is over the age of 16 and is financially independent and/or married, or when services relate to pregnancy, drug abuse or sexually transmitted disease. If you have any questions about this, ask the therapist who works with you.

**As a rule, we do not encourage the withholding of information from parents except when it is our clinical judgment that it would be clearly detrimental to the minor's welfare to disclose information.**

**MULTI-PARTY COUNSELING:** If you are involved in multi-party counseling such as couples or family therapy, our staff will treat all information acquired in that process in accordance with this confidentiality policy. In addition, Village Ranch, Inc. will stress the importance of maintaining confidentiality with all members of the family or couples therapy process, but we cannot be held responsible for breaches of confidentiality by other participants. Finally, records of such session belong to all participants and cannot be released without the consent of all participants.

In some circumstances individuals participating in couples or family counseling will also be involved in individual sessions with members of our professional staff. At times an individual may share information in individual sessions, which is of central importance to the couples or family therapy process. It is our belief that the family therapist should not place himself or herself in the position of holding secrets of families or couples. Thus by signing this policy you give the therapist permission to disclose information when it is our clinical judgment that such disclosure is in the best interest of the couple or family.

## **LEGAL REQUIREMENTS**

In most cases, you are not legally required to provide the information requested. If there is such a legal requirement, you will be informed of the specific law that requires it. Generally, if you do not provide the information requested, the Court and/or your caseworker will be notified.

### **MANDATED REPORTING:**

Although each provider uses their own judgment regarding the safety of the client and family and decisions to report are made in consultation with the Clinical Supervisor, all employees of Village Ranch, Inc. are mandated reporters and are required by law to report any of the following situations:

- Instances of abuse or neglect of a minor or vulnerable adult
- Behavior that may be a threat to one's life or that of another person
- Receipt of a court order
- Report of sexual abuse by a health professional

### **OUR RESPONSIBILITIES:**

- To meet with you/your family in your home or our office weekly at a convenient time for you.
- To be prompt and accessible for scheduled meetings.
- To listen respectfully and be culturally sensitive.
- To provide you with appropriate support and information.
- To provide collaborating agencies or the court with reports regarding your progress.
- To provide crisis counseling during emergency situations.

### **YOUR RESPONSIBILITIES:**

- To commit to scheduled meetings.
- To communicate and cooperate with staff respectfully.
- To report changes in your condition or symptoms.
- To participate in the choice of goals and progress towards them.
- To notify your provider at least 24 hours in advance if you are unavailable for an appointment and need to reschedule.

Placing Agent Client

The client will be placed into the \_\_\_\_\_ Foster Care Home licensed with Village Ranch, Inc.

A daily administrative rate is assigned to each child placed. The administrative rate for this placement is \$\_\_\_\_\_.

*(Please note: The Administrative Rate for placement is subject to change at the discretion of the Village Ranch, Inc. Factors leading to a change include but are not limited to a change in the Host County Contract and/or a higher rate being assessed based upon the supervisory and service needs of the youth placed.)*

A MAPCY assessment has been completed and a LEVEL \_\_\_\_\_ has been assigned.

1. If the MAPCY rate has not yet been set, and this is an emergency placement or initial placement in foster care, then Village Ranch, Inc. will bill at a **LEVEL D** for days 1-30 of the placement.
  - If the MAPCY rate comes out higher than a LEVEL D, the placing county will pay the higher rate back to the date of placement.
